

**PSYC 4000 PRACTICUM**

**APPLIED PSYCHOLOGY DEGREE PROGRAM**

---

The practicum component of the Applied Psychology degree program at Kwantlen is designed to introduce students to the workplace, research settings and possible entry-level jobs after graduation. The practicum will involve students working under the supervision of both the employer/host and a Kwantlen practicum supervisor. The goal of the practicum projects is to enable students to apply their academic knowledge and skills learned in the classroom.
